Website: <https://siliconheight.sch.ng>

Mission: To provide a veritable e-learning platform for our youth

Vision: Developing functional digital skills

Address: No. 1 Turaki Sani Stores Road, Commercial Layout, Gidan Dawa, Katsina

SECONDARY SECTION END OF FIRST TERM 2025/2026 ACADEMIC SESSION **NEWSLETTER**

As we bring the first term to a close, we would like to express our sincere gratitude to our students, parents, and staff for their hard work, dedication, and unwavering support throughout the term. We are truly proud of the progress we have made together and the challenges we have successfully overcome.

We hope that the term has been both fulfilling and enriching for everyone. We also sincerely apologise for any challenges encountered along the way and appreciate your patience, understanding, and cooperation.

1.1 COLLEGE OPERATIONAL POLICY

In our continuous effort to provide a comprehensive and well-rounded education, the college has adopted a blended learning approach that integrates both digital and analogue models to enhance teaching and learning.

1.2 DIGITAL MODEL

Our digital model includes:

- ✓ 30% of notes projected on smart boards for interactive learning
- ✓ 30% of e-notes sent to students through our school website for easy access
- ✓ Online attendance system to notify parents of students' arrival and departure
- ✓ Portal-generated report cards for efficient progress tracking

1.3 ANALOGUE MODEL

Our analogue model includes:

- ✓ Manual note-taking with biro to develop handwriting skills
- ✓ Handwriting drills to improve penmanship
- ✓ Pen-and-paper essay examinations to assess critical thinking and writing skills

1.4 ENHANCEMENT

To further enhance the learning experience of our students, the college will be implementing the following initiatives:

- ✓ Subject-Based Short Documentaries: Each subject will feature brief educational documentaries on key topics, contributing an additional 10% to students' overall notes.
- ✓ Adoption of the New Federal Government Overhauled Curriculum: The college will fully align instructional delivery with the updated national curriculum.
- ✓ Early Morning Assessment Programme - "Monday Mastery Mornings": A structured early-morning evaluation session for core subjects will be introduced every Monday to strengthen students' preparedness and reinforce essential concepts.

1.5 EXTRA-CURRICULAR ACTIVITIES

As part of our commitment to developing well-rounded learners, the college offers extra-curricular activities designed to build creativity, practical skills, and digital competence. These include:

- ✓ Web Development
- ✓ Art and Craft
- ✓ Application Packages
- ✓ Graphics Design

These activities are available for both JSS and SSS classes.

By combining our digital and analogue learning models with skill-based extra-curricular activities, we aim to equip our students with a holistic education that prepares them for success in the 21st century.

1.6 PAYMENT INFORMATION

For all payment-related inquiries, parents are advised to visit or contact the School Bursar for clarification and guidance on the following:

- ✓ Payment procedures
- ✓ Fee structures
- ✓ Payment deadlines
- ✓ Other payment-related matters

We appreciate your prompt attention to payments, and we remain available to assist you with any concerns.

1.8 Notification of WAEC AND NECO Registration and Fee Breakdown

We wish to inform you that the registration process for the 2026 WAEC and NECO Examination has commenced. In preparation for this important external examination, the school has outlined the total fee required, along with its detailed breakdown, to ensure transparency and proper planning.

Total WAEC and NECO Registration Fee: **₦130,000** per student

Breakdown of the Fee:

- ✓ WAEC Registration & Administrative Charges
- ✓ Practical Charges for Science Subjects
- ✓ Logistics and Coordination Expenses
- ✓ Extension classes

Please note that these costs are essential to ensure smooth preparation, proper

documentation, and successful participation of our students in the examination.

We kindly request all payments to be made on or before the deadline communicated by the school to avoid late registration penalties.

Your continued cooperation and support are highly appreciated as we work together to secure the academic success of our students.

1.9 IMPORTANT REMINDERS

To maintain a safe, orderly, and highly conducive learning environment, parents and students are reminded of the following regulations:

1. Electronic Devices

Students are strictly prohibited from bringing personal electronic gadgets-such as mobile phones, tablets, or similar devices-to school. Any confiscated device will attract a disciplinary penalty.

2. Punctuality

All students are expected to arrive at school on time each day. Persistent lateness will attract appropriate corrective measures in line with the school's disciplinary policy.

3. Proper Dressing

Students must be neatly and correctly dressed in the approved school uniform at all times. Any violation-such as improper uniform, incomplete dressing, or non-compliance with grooming standards-will result in disciplinary action.

4. Penalties for Misconduct

Minor offences such as lateness, improper dressing, or possession of prohibited items will attract corporal punishment as stipulated by the school's code of conduct.

5. Major Offences (Zero Tolerance)

The school maintains a zero-tolerance stance toward the following:

- ✓ Theft
- ✓ Drug abuse or possession of hard substances
- ✓ Bullying, harassment, or intimidation

- ✓ Physical assault of any kind

Any of the above serious offences will result in immediate expulsion from the school.

Thank you.

Rukayya Muhammad,

Principal, SHICK

For: Management.
